

KENT - The Garden of England and Gateway to Europe.

Living here will broaden your horizons!!

Why choose to live in Kent?

Kent is the Gateway to Europe - you can easily access Calais in France, either by using the Folkestone tunnel, or taking a ferry across the English Channel and go on to explore all the different cities and villages from there. Hopping on the Eurostar train from Ashford to Paris/Lille with connections to Belgium is a popular option as well, getting you there in just over an hour!

London is less than an hour away, so you never miss out on all the action! How? 50 min from Canterbury, or under 40 minutes from Tonbridge or Ashford via High Speed Train.

Kent is called 'the Garden of England' for its plentiful parklands and picturesque rural countryside linked to stunning heritage listed buildings and castles.

Canterbury (where our office is based) is a lively student city, boasting bucket-loads of history in its architecture and cobblestone streets. It's also where you can find the iconic Canterbury Cathedral.

Home to scenic beaches and bays along the coast-line: Whitstable, Margate, Westgate-on-sea, Broadstairs and Herne Bay with sea-side restaurants, bars and pubs - who knew Summer in England could be this fun ?

Love going on long walks and bike rides? Kent is the place - whether it's along the White Cliffs of Dover, The Viking Coast Trail or The Crab and Winkle (Whitstable to Canterbury) you will be spoilt for choice.

Very safe villages and towns that provide you with all the amenities on your doorstep at highly affordable rates making it a good relocation choice without being too far from the hustle and bustle.

The schools in Kent are a mixture of Grammar (selective schools for students passing the 12+ exam), Independent, Comprehensive and Special Needs schools, giving teachers and support staff greater choice in which environment they would like to work in

Our branch covers:

- SECONDARY SCHOOLS
- PRIMARY SCHOOLS
